Congratulations to the three families who have repaid their loans last month. We pray you will receive God's guidance as you consider how best to serve Him with your new financial freedom.

It is a joy to share with you these testimonies from these Auckland and Dunedin families who are praising God for their interest free loans.

God's plan for any person is prosperity and freedom from debt. Then our finances will display the nature of God as our provider, able to give to every good work with abundance!

We are thankful to all those in Liberty Trust for their vision and faithfulness. What a blessing it was at the end of 2001 to receive our interest free loan. Because of this the pressure of having a large Auckland mortgage has been greatly relieved. We feel a growing sense of freedom.

During the years we have been involved with Liberty Trust we have been blessed and encouraged by the generosity of others.

Freely we have received, freely may we give.

Paul & Maxine Curtis

When we received news that our Liberty loan was available, we were relieved! It really does work!

It has been exciting to see Liberty Trust progress from a dream into a life changing, vibrantly functioning ministry on the cutting edge of practicality.

We want to encourage you - if are you thinking about joining Liberty Trust it is a wonderful tool to serve and bless people and help them in turn to do the same.

Mark 10 verses 43 - 44 (The Message):

"Whoever wants to be great must become a servant, whoever want to be first among you must be your slave."

Thank you for your regular newsletters and thank you also for our interest free loan.

Bernard and I began contributing to Liberty Trust when it first began. In the past 13 or so years since we began contributing we have had a few years with little income. For two years Bernard went to University and then for six years we were volunteer school teachers in PNG. During those eight years we were always able to maintain our contributions.

When we returned from PNG in 1999 we didn't know where the Lord wanted us to live. We had three months in Auckland. We wanted to buy a house but Auckland house prices horrified us. However the Lord led us to Dunedin which, apart from being a lovely city, is very cheap housing, praise the Lord! I think, thanks to Liberty Trust, we will have paid back our loan at about Easter next year.

We have a lovely house in Dunedin. Thanks to all at Liberty Trust who made it possible for us to be able to serve as volunteers and to own a house as well.

God bless you all
