Accountant

It is now twelve months since we commenced our holiday from contributing to Ark Resources, remitting \$45,000 p.a. to allow our people to become debt free sooner. During the year we have lent over \$1 million interest free, bringing the total interest free loans given to 6.3 million dollars. We have been able to bless sixteen more families and individuals with interest free loans.

This is a record for us due to the unexpected repayment of several loans. Special credit to Evan, our loans officer, for enabling us to quickly pass on these blessings. Most of these people have indicated they wish to take back their interest free loan later or plan to give the opportunity to friends or family. One couple did not specify a recipient as they wish their early repayment to be a blessing to everyone.

Since our Spring newsletter we have given loans to a lady from Tauranga, a Dunedin couple, and a Gisborne family, leaving only \$100 our bank for the Christmas holidays! - So "Bye for now, I'm off to the beach"!

Blessings Kerryanne, Treasurer

Through a lot of Changes ... God is Faithful

Since joining Liberty Trust (and now Ark Resources) the years have flown by and our lives have seen a lot of changes. At the time we joined we were a young married couple studying at Bible College, and it seemed unlikely that we would be in a position to consider buying our own home for some time.

Now we have three young children and are settled in Te Awamutu, having bought our first home. It came as a nice surprise and blessing to us when our interest free loan became available recently. We can see the Lord's perfect timing as we were now in a position to accept the loan, having reduced our existing bank mortgage to the amount of our interest free loan.

Mike & Janferie with Sarah, baby Samuel, & Anna

We give thanks to God for His faithfulness in our lives and the blessing that the interest free loan will be. It will enable us to afford Christian schooling for our children, and free us to give more to support missionary friends, as well as being debt free years earlier.

A scripture that has been special to us in our marriage has been from Jeremiah 29 v 5-6a:
"Build houses and settle down; plant gardens and eat what they produce. Marry and have sons and daughters."

Thanks for all your help.

Blessings, Mike and Janferie Dewar, Te Awamutu

Withdrawal Symptoms!

I am thrilled to have paid off my mortgage now, thanks to you. When I joined Liberty Trust about 15 years ago, I thought this time would never come. However as time has gone by, with automatic payments it has been so easy to repay my mortgage. I can't believe how easy it has been, and now I have made my last payment!

I am having withdrawal symptoms! I want to continue investing into Liberty Trust for my future needs, so I have downloaded application forms from the internet ready to join again.

Liberty Trust is such a brilliant way to meet people's needs, it should go throughout our nation! Thanks guys, you are awesome!

Adrienne Reid, Maketu

A Timely Blessing

A number of years ago now my wife and I were talking to our neighbours when they introduced the concept of Liberty Trust to us.

We were so impressed with the idea of Christians pooling resources together and thereby reducing the costs of borrowing at banks, that we immediately made contact and commenced contributing to the fund.

Time passed by and then recently we received a phone call saying that we were eligible to uplift a loan!

This was perfect timing for us as we were in the process of resolving a difficult issue with our business lease, and the availability of this loan has made it possible for us to move forward in our plans of 10 years duration!

God knows when the time is right for us in every aspect of our lives, and we are thankful for the foresight of the trustees of Liberty Trust in moving to establish this initiative, which has proved a timely blessing to our family!
